

WENDON CONSOLE

BY BRENT WARR

COLLECTION DESCRIPTION

Contemporary
United States

The Wendon Console Table is both functional and decorative, thanks to its solid yet harmonious silhouette and use of natural materials. Perfect for an entryway or dining room, the entire piece is covered in a complex plaster and paint mix and is supported by a wooden structure that comprises two monolithic bases centered by three arched legs. The plaster domed details nod to the prevalence of the sphere and arch in ancient Roman architecture. Each piece is made to order and is available in either stark white or custom colors.
