COUP D'ETAT

The Wishbone Series 2-Drawer High Table is available in a variety of veneer and metal finishes. Hardwood veneer longwoods are hand book-matched. Construction is mitered, 'waterfall' edges and mortise-and-tenon joinery. All edges and corners are reinforced with solid timber for added durability. Drawers are solid maple with cork-lined bottoms riding on soft-closing concealed runners and opening via low-profile tab pulls (matched to metal finish). Custom sizes, configurations, and materials are available. Residential or contract use.
