by DE LA VEGA

Contemporary
United States

Rugged modernism at its best in a marriage of textures—leather, wood, and brass—in perfect symmetry. Also available in Coquille D'Oeuf: hand-cracked eggshells in resin and lacquer adorn drawer faces and the blotter.

Adorned with DLV custom hardware in complementary finishes.

COQUILLE D'OEUF

An old-world Vietnamese lacquer technique used to create delicate and unique surfaces. Before there was a white pigment for lacquer, artisans would use bits of duck or chicken egg embedded by hand into the surface.
