

COUP D'ETAT

Colosus Console Table

by Agrippa

Contemporary

Spain

Colosus embodies the concept of a symbiotic relationship between pure sculpture and practical design. It is a tree rooted deep in the ground raising its arms to the sun. It is a knot of muscles, a frozen explosion of strength and energy like the arm of Hercules tensing and ready to strike.

Dimensions: 63" W x 13.75" D x 29 .5" H

TCON-AGRIPPA-COLOSUS

Price Upon Request.
