Finely Spun Wool Rug in Difuminado  
by Madda Studio  
Mexico  
Contemporary

9' W x 12' L  
MS-RUG-FS-DIF  
\$6,500

Wider areas of a single tone characterize this design. The bands are irregular and can be wider or narrower with no set pattern. The repetition of bands works well with multi-panel rugs because they create different rhythms, which lend themselves to unique designs.
