Le' Stud Mirror *by Brent Warr*

Contemporary

United States

Crafted by hand, the Le' Stud Mirror is a playful and demure piece that challenges modern clean lines and ordinary structure commonly seen on wall mirrors.

A simple form inspired by classic shapes, the Le' Stud is made from a complex plaster and paint mix over a wooden base. Each piece is made to order and is available in either stark white or custom colors.

Please note: All plaster furniture and lighting are handmade, making each piece unique. Inconsistency in texture, shape, and color may occur due to its natural material and curing procedures. Subject to upcharge.
