 qualified electrician necessary for installation

weight:

approx 11kg (24lbs)

every marea pendant is unique • it is crafted by the highly skilled incalmo technique where 2 separately blown glass bubbles are joined together at precisely the right moment for a perfect fit • each piece naturally evolves into its own individual form, approximating specified dimensions • when displaying several lights together there will be differences between pieces, in shape, size and colour density

marea pendant large, high tide and low tide

hand blown murano glass in cool, natural or warm hues, suspended by patinated brass chain
