Cast Texture or Etched interior

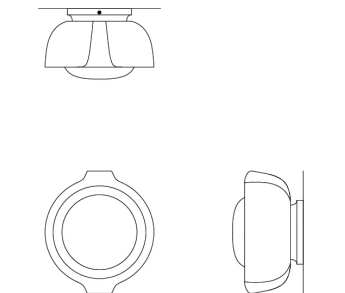

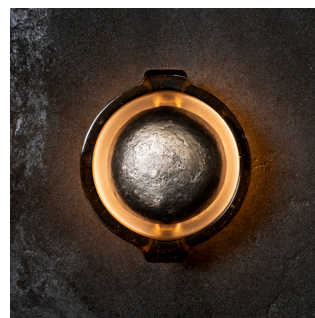

Lamping

UL Listed, E26 Socket
2700K (Clear Glass Shade)
3000K (Colored Glass Shade)
Ships with Feit Electric (Short)
40 W Equivalent Dimmable LED bulb

Okenite Sconce No. 2 with Bronze Dome

The Okenite series draws from the nature of a geode whose exterior surface, upon splitting open, is quite distinct from what is discovered on the interior. The hand-polished fins of the vessels flow into vertical spines and hulls.

A wall mounted cast glass form, with exposed bulb or with an anchored cast bronze dome, the Okenite Sconce casts layered and nuanced light onto the wall surface. Glass is available with cast texture interior or with the interior surface etched. Available in a larger size.

Detail at right: shown in Silver Dollar and Suede Glass with Etched interior

Refractory

Shown with Polished Bronze disc, Otter back plate and Clear Glass with Cast Texture interior
