

COUP D'ETAT

Outside In Console by Patrick Weder

Contemporary

United States

Patrick Weder's work can be best described as a blend of streamlined architectural elegance with a loose instinctual sculptural refinement. Inspired by naturally occurring forms and by pushing raw materials beyond their practical application, Patrick consistently challenges the traditional boundaries of functional design.

Please Note: Due to the handmade nature of Patrick Weder's work, variations in color and texture are to be expected.
