

COUP D'ETAT

TWEET-T Light
by Jake Phipps
Contemporary
London

TWEE-T is a light that playfully re-imagines this once familiar and admired household object. Bringing light, song and conversation into an environment. The base of each lamp is fed by hidden cables that light a powerful array of LED's downwards and a more gentle ambient light upwards. Spotlighting the bird itself - produced by renowned Italian ceramicists - BOSA

18.1" H or 22" H x 16.1" Dia.
Finishes : Black / 24-carot gold plate
Bulb : G9 28W Halogen
