

**Portal Sconce**

*by* **Konekt**

*Contemporary*

United States

Inspired by the designs of Mexican modernist works in silver, particularly geometric perfume bottles, the Portal Sconce features a chunky oval metal body. Light is diffused through inset frosted glass, creating a warm and welcoming glow.

**Dimensions:** 18”H x 12”W x 3”D

**Materials:** Brass or Steel and Frosted Glass.

UL listed.
