

# COUP D'ETAT

**Salma Dining Chair**  
*by Agrippa*  
*Contemporary*  
Spain

Salma is sensuality carved in wood, like a gust of wind or a flowing dance. The design of Salma plays with structure to enhance a sense of movement and redefine the symbiosis between concept and physicality. Salma provokes and invites the senses beyond sight, allowing us to touch and feel the beauty of simplicity through its seductive curves.

Dimensions: 22.75" W x 21.75" D x 29.5" H
