The Salon Lounge Collection was conceived to fit harmoniously within any setting where conversation flows and conviviality is encouraged. Taken together or individually, the versatile pieces can be arranged in an assortment of layouts, ranging from anterooms and lobbies to guest bedrooms and hallways. In larger rooms, where their petit footprint makes them ideal for use in multiples, the Salon pieces can be arranged in the round or clustered with ottomans to create discrete seating areas. In silhouette, the Salon series evinces a certain gentlemanly brio; like a classically tailored topcoat that camouflages a feather light quilted lining. This visual illusion has been achieved through BassamFellows signature layering system, which features thin, down, feather and fiber-filled seat toppers and lumbar and bolster cushions, which are baffled inside to retain their structure and comfort.
