

CB-621 Slink Lounge Chair in Walnut

Slink Lounge Chair

by BassamFellows

Contemporary

Italy

The BassamFellows Slink Lounge Chair is a contemporary take on a slipper chair. It takes some of its inspiration from classic automobiles. The bucket seat shape and thin padded shell appears to roll and have movement, giving Slink its name. The chair's base utilizes carved solid wood members that taper inward under the seat, much like an automotive chassis – providing exceptional strength while disappearing from view. Upholstery detailing features a signature welt and no seaming for a minimal, yet luxurious look.
