

COUP D'ETAT

Storm Side Table
by Elan Atelier
Contemporary
United States

Playful and just a little Wrong. No two pieces of goatskin parchment are alike, and our Storm Side Table, with a silhouette that vaguely follows the shoulders and sides of a goat – but with three legs – celebrates this organic variation with an organic shape. Feet are delicately capped with bronze.

Dimensions: 15.9" W x 17.5" D x 19.5" H
