

COUP D'ETAT

WWII Campaign Desk

1940's

United States

Desk made from aircraft aluminum during 1930's-40's and would have been used in European and Pacific theatres during the war. Interior drawers have green paint that used to cover the entire desk. Desk has been stripped to reveal original aluminum and hand polished to a shine. Removable glass top.

58.5" W x 30" H x 22" D
