

Archimedes

by Christopher Boots

Contemporary

Australia

The Alchemical symbol for fire is a triangle, point rising like a flame.

LF-CBOOTS-ARC.B

Channeling the soaring energy of the triangle, ARCHIMEDES embodies a composite cement base, a triangular brass structure protrudes into the air, paying homage to the alchemical symbol for fire.

ARCHIMEDES A brass triangle springs from a concrete base, LED light sets the triangle blazing, transforming metal into fire.
