

COUP D'ETAT

Materials: Shown in Hand-formed Satin Brass tubing, reeded glass, & resin LED diffusers.

EQUINOX NO.4 *by Rose Gold Society*

Contemporary

United States

The Equinox Chandelier is a nod to kinetic 20th-century modern lighting with a hand-formed metal frame, reeded or smooth glass tubing, and hand-poured resin LED diffusers. A refined study of lines and sinuous curves, the Equinox is available in a wide variety of sizes and finishes. Installation by the artist's studio or by an expert installer with remote support is recommended.
