

The Rib Chandelier is anchored by a cylindrical core, hand-wrapped in leather or suede. Glass pendants, framed by slender brass ribs, extend outward to form a balanced constellation of texture, structure, and light. Available with 3 or 6 pendants, as either a suspended fixture or a flush mount.

The Rib Collection continues Konekt's exploration of opposing characteristics — finding contrast and balance between strength and fragility, soft curves and sharp lines, adornment and moderation.

Rib Chandelier - 6 Flush Mount
