

Kavrn Console by Patrick Weder

Contemporary

United States

The KAVRN Console is made from American walnut and white concrete with a polished wax finish. It consists of three singular freestanding cabinets (A,B,C), housing three drawers and one opening. The playful yet elegant gestures of this Collection encourage the audience to consider its form, while simultaneously inciting curiosity in its functionality. The KAVRN Collection was launched at SALON ART + DESIGN, New York 2021.
