

Layered Coffee Table

Meticulously hand-sculpted, convex layers of bronze or steel evoke the soft curves and distinct layers of tumbles stones shaped by the ocean. A center layer serves as a functional shelf, and can be made in a contrasting finish. *Made by hand in Pennsylvania.*

## Layered Coffee Table

---

### Dimensions

58"W x 38"D x 16"H

### Materials

Bronze or steel

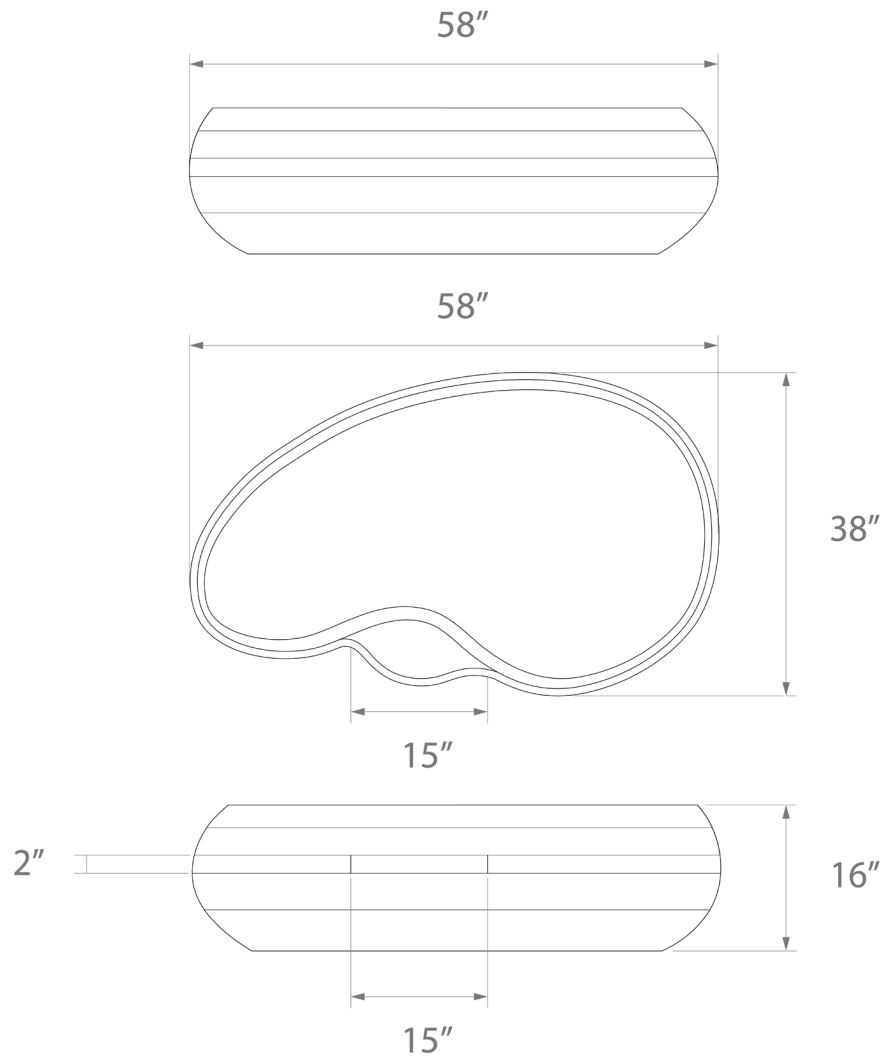

### Finishes

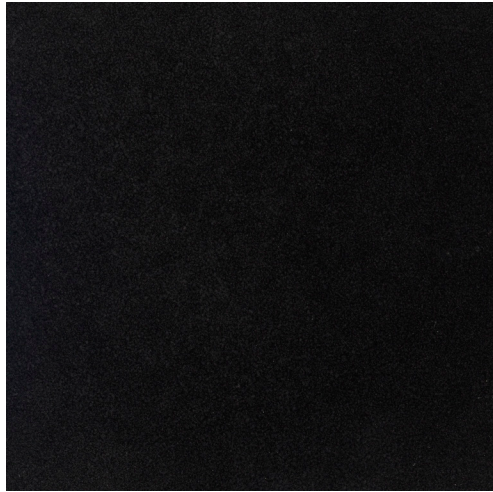

Hand-patina bronze, hand-patina bronze with polished bronze shelf, or blackened steel

### Note

Free form and hand-sculpted, each piece is slightly unique.

Bronze finishes are live finishes and will continue to naturally patina over time.

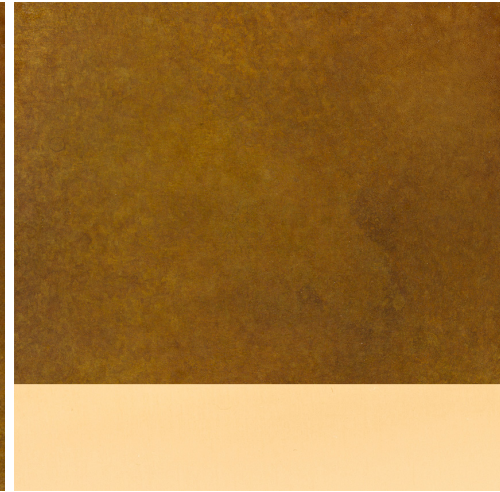

Blackened Steel

Hand-Patina Bronze

Hand-Patina Bronze with  
Polished Bronze Shelf

*Note: bronze finishes are live, unlacquered finishes and will continue to naturally patina over time.*
