

OUTSIDE IN Stool

by Patrick Weder

Contemporary

United States

The bespoke OUTSIDE IN Stools debuted at SALON ART & DESIGN 2019 in New York City. Inspired by the OUTSIDE IN Collection, the stool structure is hand sculpted with pigmented concrete and finished with a polished wax coat. Includes Leather or cushion, or stone top options.

Topped with a Nubuck or Velvet Cushion, or alternatively a Marble top option.

Custom sizes are available.

Dimensions: 24" L x 24" W x 18" H

Note: Due to the handmade nature of Patrick Weder's work, variations in color and texture are to be expected.
