An abstract take on the letters X, Y, and Z, this collection of three candle holders is an elegant addition to any living room or dining table. With its organic but monolithic curves and clean texture, these hand-sculpted candle holders are made from wooden forms and feature a hand-painted plaster finish.

Please note: All plaster furniture and lighting are hand-made, making each piece unique. Inconsistency in texture, shape, and color may occur due to its natural material and curing procedures. Subject to upcharge.
