

COUP D'ETAT

Materials: Shown in deep brown hand-waxed brass tubing, Reeded borosilicate glass tubing, & resin LED diffusers.

EQUINOX NO.3 by Rose Gold Society

Contemporary

United States

The Equinox Chandelier is a nod to kinetic 20th-century modern lighting with a hand-formed metal frame, reeded or smooth glass tubing, and hand-poured resin LED diffusers. A refined study of lines and sinuous curves, the Equinox is available in a wide variety of sizes and finishes. Installation by the artist's studio or by an expert installer with remote support is recommended.

Custom compositions, sizes, and finishes are available.
