

**Grand Tour Attic-Style Neck Amphora**

Continental Europe
19th century

9.5" Dia x 15" H x 17" H

Base: 5" Dia

AC-XX-0726-10

Price Upon Request.

Grand Tour terracotta neck amphora modeled after ancient Greek vessels of the Archaic period. Decorated in the Attic black-figure style with a central panel depicting a mounted warrior carrying a spear, framed by classical geometric and foliate borders.

Twin handles join the flared neck to the rounded body.
