leather colour can vary from hide to hide and will change naturally over time based on use and exposure to sunlight • hides are selected from the finest leathers with natural variations in colour, veining, marks and scars • such characteristics should therefore not be considered as faults • this is a natural, unfinished leather which has a silky soft feel and should be treated with care as it can bruise if it comes into contact with hard or sharp objects

## sable armchair

metal frame clad in the finest saddle leather with hand-sewn pinched seams and scalloped corner details
