Barovier&Toso

VENEZIA 1295

MARTA

Una collezione caratterizzata da sfere in cristallo veneziano allineate lavorate con la tradizionale tecnica a "corteccia." La massa vetrosa ancora calda viene fatta rotolare abilmente su di uno stampo piatto a lamelle e poi, successivamente, soffiata per ottenere una superficie irregolare e tridimensionale che ricorda quella della corteccia di un albero.

A collection featuring aligned spheres of Venetian crystal, crafted with the traditional "corteccia" technique. The hot glass is skilfully turned on a flat lamellar plate and then blown to obtain an irregular three-dimensional surface, resembling the bark of a tree.
